Saturday, May 22nd, 2021	10:00am	<b>Rehearsal</b>
Sunday, May 23rd, 2021	8:30am	<b>Rite of Confirmation</b>

Greetings Confirmation Class and Students,

I first want to thank all of you for taking the time to fill out the little survey I posted! Based upon the responses, I have developed a new schedule for the remainder of the Confirmation year. From this point on we will meet twice a month. I have structured the remaining sessions to include the Catechism / Bible lessons and a video series on the courage to hold on to our faith despite some of the challenges in society and life.

I will plan to instruct the students on the remaining lessons from the workbook. **The work at home material can be discontinued** (unless you wish to continue on your own). I have power point material that I have developed and I will plan to utilize it to present the remaining material to the students. The Bible and Catechism (which is a clear teaching of the Bible) is our foundation and is very much applicable to our day to day. We will continue to work from both the Scripture and Catechism - as has been the tradition of the church - and we will spend time connecting the six chief parts to our lives as we have done previously in our sessions.

I was very pleased to see that many of you wish to meet more than once a month! That is absolutely awesome and I look forward to spending more time with all of you. Please make these sessions a priority and please continue to participate in Sunday Morning Sessions with Mrs. Dana and Mr. Tony as they work through to cover different Bible accounts with you.

Please don't hesitate to call or e-mail me if you have any questions.

Pastor Galen
